### **About LNJPIT CHAPRA**

The LNJPIT Chapra is TEQIP-III funded state engineering college established in the year 2012 under Department of Science & Technology, Patna by Govt. of Bihar. This college is affiliated to AKU, Patna and approved by AICTE, Delhi. **The institute is successfully running under mentorship of Indian Institute of Technology(IIT), Patna.** Currently, the college offers B. Tech program in four different streams of Civil Engg., Computer Science & Engg., Electrical & Electronics Engg and Mechanical Engg. with an annual intake of 240 students.

### **Objective**

Prime objective of this program is to provide an exposure on recent research opportunities in VLSI, IOTs, Communication Engg., Antenna, RF & Microwave etc. Finally, it will provide a unique opportunity to identify and to discuss potential collaborations among young researchers and faculty.

### **Outcomes**

By the end of the program, the participants should be able to understand the basics as well as recent research opportunities in Electronics Engineering.

### **Resource Persons**
